Matt, here is the detail of the \$950,000 or so of invoices for the period I gave you previously – 1/1/06 thru 6/7/06. There are about 700 invoice #s. How this:

You tell me to start with the "X"th invoice on this list and we will pull that invoice and payment detail, if paid, and the same for every 25<sup>th</sup> invoice after your starting invoice selection. Should hit a random selection of 25-30 invoices (I don't know the exact invoice count but I think its near 700).

Just give me the starting invoice.
